

It is our objective, through high-quality language services, to be a reliable partner for our customers, and through our activities to provide a livelihood for our project managers and regular translators, and to ensure a financially stable environment.

External Objectives

TEXTimFLUSS GmbH is exclusively geared to the customers' needs. Consistently ensuring and continually improving customer satisfaction are among our top company principles.

Internal Objectives

We work with all our staff members in a cooperative partnership on the basis of freelance contracts. The processes are transparent and the staff is involved in virtually all company decisions.

We All Build Together, and that's what makes us special. We're a team of people who are passionate about their work and the company they work for. We're a team of people who are passionate about their work and the company they work for. We're a team of people who are passionate about their work and the company they work for.
